ALUMNI TO BENEFIT FROM NEW PROGRAM
ONE PARENT ATTENDING ONE YEAR MINIMUM REQUIREMENT

BRYAN COLLEGE APPRECIATES ITS ALUMNI
Now the college is offering a special Second Generation grant for children of Bryan alumni. A $1,000 grant will be given to any second generation student who meets Bryan's academic and Christian life standards. One parent attending Bryan for one year qualifies the applicant for the grant, which would be awarded over a four-year period at $250 per year.

This is "up front" money that any second generation student will receive on acceptance.

If your son or daughter is interested in Bryan he/she must apply before the May 1 financial aid deadline in order to receive the grant for the coming academic year. Application forms may be secured by writing or calling the admissions office. And remember, Bryan College does not charge an application fee.

ALSO NEW FOR 1983-84
Academic scholarship aid is available at Bryan toward the cost of tuition. According to the student's academic achievement in high school plus qualifying ACT test scores, $500 to $1,000 per year may be awarded. Write the admissions office for details.

President Fraenkle challenges graduates to keep "Christ first in all,"

50s

Frank '50 and Edith '50 recently visited Bryan during their two-week vacation from their home in Kearney, Nebraska. They included three days at the World's Fair in Knoxville and spent a week at the Fall Bible Conference in Arkansas GARBC churches in Arkansas. Frank has been working for 17 years as shipping clerk at Rockwell International which manufactures high pressure steel valves for oil company pipe lines. The Brills have three children-Miriam, who graduated from Grace College in 1981 and is married; and Paul, who is in his first year at Kearney State and still lives at home. Ernie '52 and Lois (Cartwright) '53 Lee returned in November to the Solomon Islands where they are working with Wycliffe Bible Translators. Their summer furlough included deputation, visits with friends, and travel along the east coast. Glenn '52 and Marge Cramley were scheduled to return to Zaire, Africa in October. They are visiting the headquarters in Wheaton, Illinois, to include Kay's 20th Anniversary on Christmas. Ronald '52 and Gladys (Penniman) '53 Mezner returned to Brazil on November 18 via Varg air lines after a 40,000-mile, six-month furlough. They are entering their sixth term in Sao Paulo and will resume teaching responsibilities in the Seminario and the Day School. Robert '52 and Evelyn Yunker reside in Madera, California, where they are buying their first home. Bob supports the family by his regular job in a factory, but their special interest is the Japanese Free Methodist Church in Los Angeles which he pastors. Bob preaches in both Japanese and in English each Sunday morning, and Evelyn plays the piano for both services, prepares the bulletins, and does Bob's secretarial work. The Japanese church was started some 36 years ago and now has about 150 members with 10-15 attending each Sunday. Their meeting place is a remodeled home which the congregation has furnished for their annual Thanksgiving dinner. They seek to minister to the Japanese students at Fresno State University.

Norma Swenney '53 continues to serve with Child Evangelism Fellowship in Brazil. The second semester Bible classes began in August and she has been busy teaching the Life of Christ and distributing Living New Testaments to the primary grades in many of the schools. During August Norma also took part in the Third National CEF Congress for Teachers, working especially in translating Bible stories for the English speaking group of teachers.

Don '54 and Barbara '54 have a report from Morocco that the Lord is blessing and providing in many ways. Barbara's mother went home to be with the Lord in early August, but God has given strength and comfort to them. Jim, who was sick for two months during the summer, has recovered and is now able to be back at work. The Lord also provided them with new teachers for the school year.

David '57 and Kay (Temple) '56 Henry scheduled their furlough from Alaska to be in Michigan through December to include Kay's parents' 50th wedding anniversary on Christmas Eve. In January they planned to travel to Florida and take other appointments along the way. Last summer David attended the Alaska Christian College which was sold and the operation moved to Denver, but the Henrys continue to work with the Royal Indian people. They have built their own house from logs that Dave cut and hauled out of the woods. They put the roof on the house the first day of snow last fall. Kay's parents plus the Henry children and their spouses all helped in the project.
